Field Uniform

This is a shirt that has the club name or Pathfinder insignia on it and is worn by the entire club with a pair of pants or shorts. Jeans are acceptable. The entire club should have a look of uniformity. Wind breakers, sweatshirts, or jackets can be included in Field options.

Georgia-Cumberland Conference Club Uniform Policy:

All members of a club should wear the same type of garment. Male members all in pants or shorts. Female members all in skirts, pants, skorts or culottes.

Slacks:

Slacks are to be black dress pants. NO jeans, BDU's fatigues, cargo or baggy pockets. Cotton polyester blends tend to hold color better and are easier to care for.

Sashes:

AdventSource provides black sashes.

AdventSource:

AdventSources will continue to be our source for the khaki Pathfinder shirt.
